### INFORMATION

Projected enrollment for 2002 through 2011 is provided by area and by school. Systemwide enrollment is projected to grow through 2004; to drop in 2005 and 2006; and begin to rise again in 2007 through 2011. Steady growth throughout the decade is projected in the Northwest Area only. The other four areas will all go through varying periods of declining enrollments before increasing again. Only the Southeast Area is projected to still be below its 2001 enrollment in 2011.

**SPECIFIC NOTES:**

Randallstown ES is undergoing construction of an addition. Their PS and KDG children are currently at Campfield.

Completion date, and attraction of new addition may impact enrollments.

Pending MSDE policy may mandate all KDG programs to full day at all schools, as well as additional PS.

Pending ESOL and Special ED program relocation may require some redistribution of students.
