---

**SERVICES**

- Assist with processes associated with obtaining appropriate placements for bilingual students with special needs and/or talents.
- Access internal/external services and resources within BCPS and the larger community for English language learner families and students.
- Provide interpreting services for BCPS staff to communicate with ELL families and students regarding school-related issues.
- Present intercultural and language information training for school personnel.
- Help families and students understand their rights and responsibilities in a United States school system.
