Students with poor attendance within each grading period are subject to a failing classwork grade. Students whose attendance is irregular will be withdrawn and will not receive a passing grade, if appropriate counseling does not improve their attendance records.

Rules, Regulations, and Course Information

All policies and rules of Baltimore County Public Schools are enforced in Evening/Saturday High Schools. All sites enforce rules as per the school system’s *Student Handbook*. All students receive and must sign an acknowledgment of receipt form after reviewing the rules at the time of registration. Course requirements are the same as day school. Two credits may be earned each year in one evening school. By attending two evening centers, it is possible to earn four credits per year. Additional credit(s) may be earned in Saturday high school.
