

One morning

a spider began to spin her web.

Neigh, neigh do you want to go for a ride?

She was too busy spinning her web.

The spider did not answer

Baa, Baa want to run in the meadow?

Moo moo want to eat some grass?

Maa, maa want to jump on rocks?

Oink, oink want to roll in the mud?

Woof, woof want to chase the cat?

Meow, meow want to take a nap?

Quack, quack want to go for a swim?

Cock-a -doodle do want to catch a fly?

The spider caught the fly just like that.

Whoop, Whoop made this beautiful web?

Did not answer, the spider had fallen asleep.

It had been a busy day.

The spider had finished her web.
