# Parent Support Services

**Assisting families, schools,  
and the community  
in promoting student achievement**

**B**altimore County Public Schools believes that improved student achievement requires families and communities to be partners in the educational process.

### **Parent Support Services**

is a resource program to assist families, schools, and community organizations in promoting student achievement.

This program is designed to focus on the following goal as identified in the Baltimore County Public Schools *Blueprint for Progress*:

“Engage parents/guardians, business, and community members in the educational process.”

To support this goal, Parent Support Services:

- Develops and disseminates materials to support and promote parental involvement.
- Provides learning opportunities for parents/guardians and community members.
- Offers professional development opportunities for school staff.

### **Parentmobile**

This nationally award-winning vehicle serves as an educational resource center that travels to schools, community events, neighborhoods, and businesses. Parent Services Representatives assist parents and community members in accessing information about Baltimore County Public Schools in order to support learning at home.

#### **While on the Parentmobile, visitors can...**

- Learn about Baltimore County Public Schools’ curricula.
- Select resources to assist with learning at home.
- Visit the Baltimore County Public Schools’ Web site.
- Learn about community resources that support education.
- Learn about resources that support families of students with special needs or limited English proficiency.

### **Resource Centers for Families and Schools**

Baltimore County Public Schools has five area facilities equipped with materials and staff to assist in the development of educational resources for teachers, parents, daycare providers, and community-based organizations. Resources can be ordered and produced at each center for a minimal cost. Visitors are welcome; please call to confirm hours of operation.
