

Home-School Connection

Dear Students, Parents & Guardians,

The first grade will be spending the next few weeks implementing our first **Primary Talent Unit**. The unit is entitled *Fourth Little Pig*. The lessons in this unit will allow many opportunities for students to be **resourceful and creative**. We will be spending time brainstorming, asking questions, discussing attributes and problem solving.

Our culminating project will be building a "house" for a mystery character. To aid in this process we are asking that you donate any of the following items below. The houses will be built in the art classroom and the lessons will occur in your child's reading room.

Thanks in advance for your support,

The First Grade Team

Building Materials

Cardboard/cardboard boxes (no bigger than a cereal box)

Masking tape

Aluminum foil

Straws

Pipe cleaners

Twist ties

Plastic bottles (no bigger than a gallon milk container)

Plastic bottle caps and/or soda bottles

Craft sticks

(Anything else you could think of)
