

## Character Diagram

1. Write the name of your characters on the lines above.
2. Fill in each circle with the answers to your character questions:
  - Is the character a real or a fanciful animal?
  - What does the character look like?
  - How does the character behave?
  - What foods does the character eat?
3. If an answer is the same for two characters, move that answer to the center shape, to show what the characters have in common.
