

# Investigating U.S. Foreign Aid Policy

**Essential Question:** Should the United States change its foreign aid policy?  
Why or why not?

Name of country	Current political climate
System of government	
What was the type and level of past U.S. aid to this country?	What is the type and level of present U.S. aid to this country?
What are the benefits of this aid for the U.S.?	What are the costs and/or problems of this aid for the U.S.?
