

Education That Is Multicultural Liaisons' Wiki

What is a Wiki?

A wiki is a collaborative online environment that allows participants to exchange ideas, collaboratively build knowledge, provide support to one another, and share multimedia such as video, audio, images, PowerPoint, and more. A wiki enables a Web presence that is easily designed (thus wiki – the Hawaiian word for “quick”).

Monthly Professional Development Topics

November—Revisiting the Education That Is Multicultural COMAR Requirements and BCPS Crosscutting Section of the Bridge to Excellence Master Plan
