

High School Programs

<p>Academy of Leadership & Humanities This academy allows students to explore topics and develop their interests in Criminal Justice and Marine JROTC.</p> <p>Criminal Justice: Students are prepared to apply technical information, computer technology, and broad knowledge in the growing field of criminal justice for entry-level positions and continued education. Students develop specific skills in communication, first aid and CPR, human relations, criminal law, and criminalistics. Students have the opportunity to earn articulated college credit.</p> <p>Marine JROTC: Students gain information and skills valuable for life-long learning. The military science focuses on living the leadership traits and core values of honor, courage, and commitment. Students practice self-discipline, teamwork, and citizenship through leadership experiences, career exploration, and general military subjects.</p>	 <p style="font-size: small;">-available at <i>Chesapeake High School STEM Academy (CHS)</i></p>
