- Enter your address.
- Identify your child's zoned school.

Transportation

Baltimore County Public Schools provides transportation to and from elementary school magnet programs for students who reside within the established transportation zone of the magnet program. Some transportation is arranged as shuttle service from the home school location. This may require students to ride the regular neighborhood bus or to walk to the home school, where they are picked up and transported to the magnet program.

Schools will notify parents of specific transportation provisions prior to the opening of school.

Transportation is not provided by Baltimore County Public Schools outside of the established transportation zone of a magnet program.

Middle School Magnet Transportation Information

Admission into a magnet program does not guarantee that transportation will be provided by Baltimore County Public Schools.

Geographic location and transportation availability should be considered when applying to magnet programs. Read the information below to determine your child's eligibility for transportation to a particular magnet program.

Transportation

Baltimore County Public Schools provides transportation to and from middle school magnet programs for students who reside within the established transportation zone of the magnet program. Transportation is provided from a limited number of pick-up points located at designated school sites. Parents are responsible for providing transportation for their students to and from their designated pick-up point.

NOTE: Pick-up points do not fall under the same guidelines as regular bus stops with regard to distance and walking conditions. In addition, supervision is not provided by the school system at the pick-up points.

Transportation is not provided by Baltimore County Public Schools outside of the established transportation zone of a magnet program.

High School Magnet Transportation Information
