

Identify the Variables  
Tutorial Handout

Name: \_\_\_\_\_

1. Slide 10: What type of project will you be doing? Circle one:

Experimental      Observational

2. Slide 15: If your project is experimental, what are the variables for your investigation?

a. Independent: \_\_\_\_\_

b. Dependent: \_\_\_\_\_

c. Control: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

## STEM Fair Identify the Variables

Teacher: \_\_\_\_\_

Student: \_\_\_\_\_

	Self	Adult
1. I have exactly one independent variable that I will change.		
2. I have exactly one dependent (responding) variable that I will measure.		
3. I found all other variables that are relevant for me to control (keep the same).
