

Pose a Question
Tutorial Handout

Name: _____

1. **Slide 11:** Pick an item from the mystery box (in the bubble on the slide).

2. **Slide 11:** Pose a **testable** question for your item from the grab bag.

3. **Slide 13:** Write a **testable** question for your STEM fair project.

STEM Fair Question

Teacher: _____

Student: _____

	Self	Adult
1. I came up with a question related to Science, Technology, Engineering or Math.		
2. My question is specific (rather than broad or vague).		
3. My question is interesting, creative, and makes me wonder. (It will keep me interested for the next couple of weeks.)		
4. My investigation will be safe to do and will follow the rules of the STEM fair.		
5. I will be able to easily get or make the materials I need for the investigation.		
6. I will have enough time to complete my investigation.		
7. My question can be answered only through an investigation.		
8. My question does not have just a yes or no answer.		
9. I will be able to find the materials I need for an investigation (experiment) to answer this question.		
10. My question is testable.
