Dear Fitness Club Managers,

Once again, Baltimore County Public Schools (BCPS) Employee Wellness Program will be publishing a list of Fitness Clubs in Baltimore County and surrounding areas who offer our employees discounts and special offers to their clubs. We thank the clubs that have participated in the past as our employees truly appreciate your discounts. We certainly hope you will participate again this year. And of course we welcome those clubs who have not participated in the past to take advantage of this opportunity for the 2012-2013 school year.

## **General Information:**

- We update and publish the list annually in July. The list will not be updated throughout the year.
- This updated list is sent to each school and available on our webpage allowing all 17,000+ employees access to the club information.

## **Guidelines to be included in the 2012-2013 school year list:**

- The discount advertised must be above and beyond what is offered to the general public.
- The discount must be available to all BCPS employees.
- The discounts must be effective for the full school year, August 1, 2012-July 30, 2013.

All clubs interested in being included must complete and sign the attached document and return by **June 15, 2012** to:
