

## Baltimore County Public Schools Educational Interview Form

The Maryland State Department of Education requires each school system to conduct an educational interview with all students who leave school prior to graduation, or with their parent or guardian or all the above. Students are encouraged to remain in the current school program or enroll in an alternative school program. If the student does leave the school system, school personnel must verify the reason for the student dropping out of school, and ensure that the parent or guardian is informed.
