CULTURAL EXCHANGE RECIPROCAL AGREEMENT

Today’s students must possess the knowledge and skills necessary to compete and interact with individuals anywhere in the world. We are committed to providing a Cultural Exchange Program that will enable our students to: value, understand, and respect cultural similarities and differences; acquire greater understanding of the knowledge and skills necessary to be successful; acquire effective communication skills that will enable them to successfully interact with people from other cultures.

Each year, students will have an opportunity to participate in a cultural exchange program between our schools. To ensure that the experience is positive and meaningful, students who participate will:

- Act with maturity, serving as positive role models and ambassadors for our school, state/province, and country.
- Adhere to all student policies and procedures of our respective schools and school systems.
- Reside with host families who will provide a safe and secure environment and experiences that will extend students’ knowledge of the country’s history, traditions, and culture.
- Secure health insurance and all needed vaccinations ensuring their health and safety during their stay in our respective countries.

We look forward to welcoming your students and staff to our school and community.
