Introduction
The Board of Education’s Policy Review Committee has been charged with the task of
directing and overseeing revision of the Board’s policies. A policy is a statement of the
vision, goals, principles or position of the Board of Education to guide and direct the
Superintendent and staff. Policies are promulgated by the Board of Education in
accordance with Board of Education Policy 8130. In general, policies will answer the
question: “What do we want the school system to do?”

In the 8000 Series, *Internal Board Operations*, policies are understood as tools to establish
concrete approaches and mechanisms for self-governance of the Board. The Policy Review
Committee’s primary task is to discuss and evaluate policies prior to their presentation to
the full Board. The Committee also reviews, recommends for adoption and amends
policies. In furtherance of its goals and in order to ensure consistency in the style and
format of the Board’s policies, the Committee hereby recommends that the following
conventions be employed when policies are presented to the Committee and to the Board
for adoption, re-adoption or amendment.
