

COMMUNITY RELATIONS: Community Involvement

Visits to Schools

All members of the school staff are encouraged to make visitors feel welcome. All visitors shall be directed to report to the school office where they shall be greeted by a member of the principal's staff. The principal shall follow protocols established in *The Critical Response and School Emergency Safety Management Guide* for visitor screening.

Visitors requesting conferences are to schedule those conferences with an administrator and/or teacher prior to coming to the school.

The principal has the authority to exclude from school premises any individual who disrupts the instructional program or who may pose a threat to the safety and security of students or staff.
