### Recommendation for Award of Contract Bus Loop Canopy at Pikeville Middle School February 11, 2003

On January 23, 2003, eleven (11) bids were received for constructing a canopy at the bus loop at Pikeville Middle School - Bid #RHA -333-03. This project consists of removing and replacing the existing concrete/asphalt sidewalk with new concrete sidewalk, and installing a steel canopy with associated lighting. A summary of the bids received is attached. Based on the bids received, the Department of Physical Facilities recommends an award of contract to Jack Kidd Associates, Inc., the lowest responsive bidder, in the amount of \$265,000.00 for the Base Bid plus both Add Alternates. These Add Alternates include a painted school sign and an additional portion of canopy for the accessible side entrance to the school.

At this time, we also request approval of a 10% Change Order Allocation in the amount of \$26,500.00 to cover any unforeseen conditions and minor changes to the contract, to be authorized and approved by the Building Committee in accordance with Board Policy.

Funding for this project is available in Fiscal Year 2003, State Aging Schools Program.
