## Appendix I

### **Recommendation for Award of Contract New Gas Service at Dulaney High School May 27, 2003**

In conjunction with the boiler replacement project at Dulaney High School, it is necessary that BGE upgrade the existing gas service. This work includes extension of the existing gas main, a new meter regulating station, a new meter pad, and all associated restoration work. BGE has agreed to perform this work for a cost of \$32,123.00.

At this time, the Department of Physical Facilities requests the Board's approval of an award of contract in the amount of \$32,123.00 with BGE to upgrade the gas service at Dulaney High School. Funding for this work is available in Capital Budget Project #665 – Major Maintenance.
