Request for Approval of Property – Woodholme School Site

Appendix I

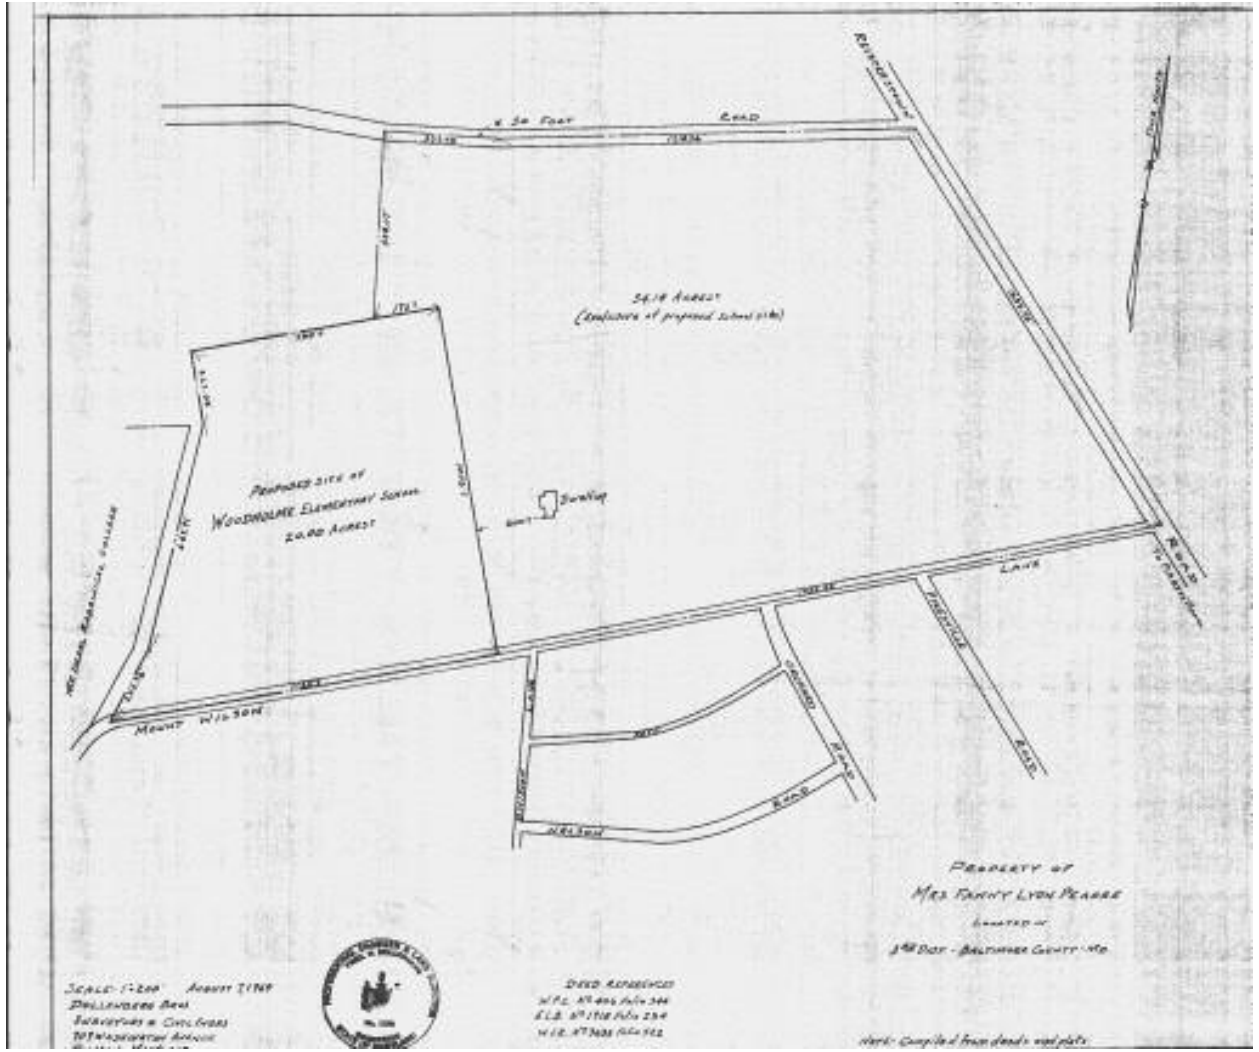

**Request for Approval of Property
Woodholme Elementary School Site
May 27, 2003**

In 1969, the Board of Education purchased a proposed school site in the western area of Baltimore County. This 20-acre site is located on the north of Mount Wilson Lane, west of Reisterstown Road. A drawing depicting this property is attached. In order for the Department of Physical Facilities to develop this property as a school, the State Superintendent of Schools, as well as the Interagency Committee for Public School Construction requires that the Board of Education approve the use of this site. At this time, we are requesting the approval of the Board of Education to use this site for the proposed Woodholme Elementary School.
