Recommendation for Award of Contract New Gas Service at Woodlawn High School June 10, 2003

In conjunction with the boiler replacement project at Woodlawn High School, it is necessary that BGE upgrade the existing gas service. This work includes extension of the existing gas main, a new meter regulating station, a new meter pad, and all associated restoration work. BGE has agreed to perform this work for a cost of \$15,346.00.

At this time, the Department of Physical Facilities requests the Board's approval of an award of contract in the amount of \$15,346.00 with BGE to upgrade the gas service at Woodlawn High School. Funding for this work is available in Capital Budget Project #665 – Major Maintenance.
