RECOMMENDATION

That the Board of Education approves an award of contract.

Award of Contract – New Electrical Service at Various Schools.

Appendix I

Recommendation for Award of Contract New Electrical Service at Various Schools July 8, 2003

In conjunction with the installation of portable classrooms at Patapsco High School, Rosedale Center, Sparks Elementary School, and Towson High School, it is necessary for BGE to provide additional electric power. This work includes provision of new electrical service, installation of exterior electrical panels, and all associated restoration work. BGE will provide these services for an estimated cost of \$80,000.00. At this time, the Department of Physical Facilities requests the Board's approval of an award of contract in the not-to-exceed amount of \$80,000.00 with BGE to provide new electrical service at Patapsco High School, Rosedale Center, Sparks Elementary School, and Towson High School.

Funding for this work is available from the Operating Budget of the Office of Comprehensive Maintenance and Construction.

APPROVED:

Donald F. Krempel, Ph.D.
Executive Director
