Any classified employee who, upon separation for other than disciplinary action from the Baltimore County Public Schools, will have reached the age sixty-two (62) will, upon separation be considered a retiree.

Any classified employee separated from the Board of Education who does not meet these criteria is not to be designated a retiree.

2. Retirement Systems

See Policy 4119-Separation-for-procedures relative to retirement at age seventy (70).

b. Employees Retirement System of Baltimore County

After two (2) years of continuous employment, all qualified employees (who have not previously enrolled) must enroll as a condition of employment.

c. Exceptions from Change

Active members in either system need not alter their membership status because of reassignment to a different bargaining unit or because of a change in their work week.

d. Continuation of Employee Benefits

a. Health Insurance

Retirees may continue membership in the health plan available to active employees with funding in accordance with the following schedule:

<u>Years of Service (Since Adjusted Service Date)</u>	<u>Employee Contribution</u>	<u>Board Contribution</u>

10 through 19	50%	50%
20 through 29	25%	75%
30 or more	10%	90%

b. Life Insurance

Eligible retirees may continue their basic life insurance coverage.

Should the retiree have ten (10) or more years of service, basic life insurance coverage may be continued with the Board of Education sharing in one half the cost of premium. On the date of retirement, the face value of the basic life insurance then in effect will be reduced by ten percent (10%). On each of the first four (4) anniversaries following retirement, the insurance will be reduced a like amount until the coverage is reduced to fifty percent (50%) of the original face value.

Premiums will be reduced in accordance with the amount of insurance in effect.

Eligible retirees have the privilege of converting all or a portion of their insurance from term to ordinary life insurance at the prevailing rate established by the insurance carrier at the time such conversion occurs. The Board of Education does not participate in funding once a conversion has been effected.]
