2023 BCPS Stakeholder Climate Survey to begin Monday, Jan. 30

Students, parents/caregivers, staff, community members invited to share their views

TOWSON, MD. – Baltimore County Public Schools invites students in Grades 3-12, parents/caregivers, staff, and community members to participate in the school system's [annual Stakeholder Climate Survey](#) beginning Monday, January 30.

The brief online survey will be available on the BCPS home page from January 30 through Friday, March 3, 2023. The [survey](#) is again available in multiple languages for students, parents, and community members.

"This [annual survey](#) is an important way for us to listen to the BCPS community, learn their views, and to be responsive to their feedback by taking action to improve our schools and school system," said BCPS Superintendent Dr. Darryl L. Williams, adding that survey feedback is used by schools to refine School Progress Plans as well as by BCPS to measure progress toward goals in The Compass strategic plan.

"The views of respondents will help to shape our budget, our staffing, and our programs," Dr. Williams said, "and we hope everyone will participate and encourage other stakeholders to do the same."

###

[Baltimore County Public Schools](#), the nation's 22nd largest school system, is focused on raising the bar and closing gaps to prepare our students for the future. Thanks to innovative and talented leaders, teachers, staff, and students, BCPS celebrates [many honors](#).
