Public information session scheduled to update community about design progress of the Dulaney High School replacement

Stakeholder meeting to be the first of several public meetings

What: The public is invited to a community stakeholder meeting to update the design progress of the Dulaney High School replacement project. At the meeting, the project's design team will present the educational goals, preliminary site analysis, and the educational program and how it will impact the building and site. There will be an opportunity for community members to ask questions and provide input, which will be used to further develop project design. The update will be of interest especially to those whose children attend or will attend Dulaney High School, including those from feeder schools Cockeysville and Ridgely middle schools and the elementary schools that feed into both of those middle schools. This meeting will be the first of multiple community stakeholder meetings for this project.

When: 6:00 p.m. on Thursday, May 18, 2023

Where: Dulaney High School Auditorium
255 E. Padonia Road, Timonium 21093

###

[Baltimore County Public Schools](#), the nation's 22nd largest school system, is focused on raising the bar and closing gaps to prepare our students for the future. Thanks to innovative and talented leaders, teachers, staff, and students, BCPS celebrates [many honors](#).
