#### **Management Investigations Summary**

Internal Audit reviews the result of Management investigations to ensure that sufficient evidence to close the case was obtained. A case whose allegations cannot be substantiated can still result in corrective, proactive, or preventative measures to reinforce a policy or procedure, improve internal controls, or to improve BCPS operations.

**Table 4** summarizes the status of the management investigations<sup>3</sup> in FY23.

#### **Memo to File Summary**

Internal Audit reviews the content of the cases that are received through the hotline. In certain instances, there may not be a need for either Internal Audit or BCPS Management to investigate. These instances include when:

- the information provided does not constitute an allegation of fraud, waste, or abuse
- the reporter did not provide enough information to investigate
- additional information was requested from the reporter, and no response was received
- management is aware of the issue and has addressed or begun addressing
- the issue is already being investigated by an external group or another BCPS department

In most of these instances, Internal Audit will still provide the case information to BCPS Management.

**Table 5** summarizes the status of the memos to file<sup>4</sup> in FY23.
