

# Help your school WIN the Team BCPS Clean Green :15 Litter Challenge!

The Team BCPS Clean Green :15 Litter Challenge is where our schools compete to see which school communities can record the most 15-minute litter cleanups and volunteer participation throughout the entire year.

School communities include all sorts of groups who choose to designate a particular school to receive credit. Civic or community groups, scout troops, sports teams, faith-based groups, youth groups, businesses, environmental organizations, foundations and others could be included in these groups.

---

## **Team BCPS Clean Green :15 Litter Challenge Timeline:**

**April 30, 2024:** Litter challenge ends – last day for cleanups

**May 4, 2024:** Cleanup results must be submitted by midnight

Record cleanups at [\*\*bcps.org/community/clean\\_green\\_15\*\*](https://bcps.org/community/clean_green_15)

# EVERY "LITTER" BIT HELPS . . .

---

. . . especially for schools located within the Gwynns Falls and Jones Falls Watersheds, where the County is under a federal mandate to reduce litter.
