Frequently Asked Questions

Q: What do you do as the SMOB?

A: As the Student Member of the Board of Education, you represent every student from every part of Baltimore County. You attend board meetings that are held every other Tuesday, and you also sit on two committees: Policy Review Committee and Curriculum Committee. Along with your responsibilities as SMOB, you are an Executive Board member of the Baltimore County Student Councils, a member of the Board of Selected Students, and an Executive Board Member on the Maryland Association of Student Councils.

Q: What traits are important to be the SMOB?

A: There is no formula to be a great SMOB as every student brings unique traits to the job. However, applicants should be:

- Responsible - You are accountable for reading oral arguments and agendas for upcoming meetings before you enter the boardroom.
- Confident - As SMOB, you speak to people from all over the county, public speaking is a huge part of the job.
- Able to manage their time - Applicants need to find a balance between SMOB life and student life. It will be very challenging to take eight classes and be prepared for meetings. Being able to utilize BCPS productivity tools is helpful.
