Управление по вопросам продовольствия и питания
Распределение еды на осень
2020

Балтимор Каунти государственных школ будет предоставлять школьное питание, на бесплатной основе, для всех детей в возрасте 2-18 на обочине чтобы можно было взять или доставка на автобусе.

Программа распределения продуктов питания и управления по вопросам продовольствия и питания предоставляет питание в сотрудничестве с Управлением транспорта в целях обеспечения более широкого доступа к питанию во время виртуального обучения на дому.

Кто имеет право на питание?
Питание доступно для всех детей в возрасте до 18 лет, а также для инвалидов независимо от возраста.

Может ли мой родитель или опекун забрать мою еду?
Да, сотрудники школы будут записывать количество еды, студента (ки) имя (а), и транспортное средство на обочине.

Как упаковываются блюда и где я могу забрать еду?
Регистрация или подпись не требуется. Питание доступно для пикапа или с некоторыми ограниченными остановками доставки автобусов.
