High School Programs

Academy of Leadership & Humanities

This academy offers specialized pathways in:

**Criminal Justice** *‡* – prepares students to apply technical information, computer technology, and broad knowledge in the growing field of criminal justice for entry-level positions and continued education. Students develop specific skills in communication, first aid and CPR, human relations, criminal law, and criminalistics.

**Marine JROTC** – provides students with information and valuable life-long learning skills. The military science program focuses on living the leadership traits and core values of honor, courage, and commitment. Students practice self-discipline, teamwork, and citizenship through leadership experiences, career exploration, and general military subjects.

* Articulated college credit may be earned from the Community College of Baltimore County.
‡ Students may earn a minimum of four MSDE Career & Technology (CTE) credits for graduation.
