III. **Guidelines**

A. BCPS will publish a student handbook annually which will include standards for student behavior and disciplinary consequences for violations of those standards.

B. School administrators will receive annual training and resources necessary to implement this Rule. Training and resources will address:
   1. The contents of Board Policy and Superintendent’s Rule 5550 and other policies on student conduct, code of student conduct and the *Student Handbook*.
   2. Behavior interventions, supports and responses to prohibited conduct and enumerated offenses.

C. BCPS will use behavior interventions and/or supports, as appropriate, to ensure that disciplinary consequences include opportunities for students to understand the nature of their behavioral violation and to motivate students to change those behaviors to avoid future violations.

D. The school administrator will investigate an alleged violation of this policy to determine what, if any, type and number of interventions and supports to use prior to taking any disciplinary action. Administrators are not required to utilize the interventions or supports in sequential order. Administrators are required to document each intervention, support and/or disciplinary action.

E. When a student violates Policy 5550, school administrators will have discretion in imposing the appropriate disciplinary response for a violation and should consider:
   1. The severity of the incident;
   2. The student’s previous violations, if any, and/or consequences for the same or related offenses;
   3. Whether the offense interfered with the rights, privileges or property of others;
   4. Whether the offense posed a threat to the health and safety of others;
   5. Whether the student has a disability and the disability’s possible impact on the student’s behavior;
   6. The relationship between the offense and the consequence;
   7. Whether the disciplinary response is age-appropriate; and
   8. Whether the offense prevents the orderly delivery of the instructional program at the school.
F. Students who violate the student behavior code will be subject to a disciplinary response up to and including expulsion.
