Dear Team BCPS Class of 2020,

Congratulations! This is your day.

Your journey to graduation has spanned the majority of this century. As the world has evolved, you have taken on challenges, grown as a friend and teammate, and become an expert on the important subject of yourself. You have developed as a leader inside and outside of the classroom. I’m so glad that I had the pleasure of meeting many of you.

Proudly by your side from your first day of school to this very moment, you have been surrounded by the love and support of family members, teachers, and school leaders. I appreciate their dedication to your growth. Be sure to thank those who helped you along the way.

You deserve to cherish this culmination of your many years of hard work. When your name is called, please know how proud you have made all of us—your loved ones, your school family, and Team BCPS.

Please enjoy your commencement, and I wish you all the best in your next phase of life.

Sincerely,

Darryl L. Williams
Superintendent

Raising the bar, Closing gaps, Preparing for our future
To the Class of 2020,

Many of you I had the pleasure of meeting as 8th graders when you were at Stricker. You made me fall in love with being an Assistant Principal through our interactions, so I was so excited to get to come back to see how much you have grown. This year I have been amazed at the incredible people you have become. You have grown and matured in ways I never thought possible. For some of you this was our first chance getting to meet and though it was cut short by the pandemic I have enjoyed our time together. Each day that I come to school I am amazed by the incredible intellect, character, and talent that this senior class possesses. Whether it is watching you perform in the classroom, on the field/court, or on a stage you continually blow me away.

I am so proud of everything you have accomplished this year and the way you have been able to adjust and cope with the changes that have come with grace and humility. I hope that we here at Patapsco have been able to impact you in the way I am sure you are going to impact the world. I will miss you but be warned you never know when or where Dr. RoHo might show again. Remember to always learn something new, make good choices, and be nice to one another.

Sincerely,

Scott Rodriguez-Hobbs, PhD
Principal

Alma Mater
Traditional Attributed to Esther McGill

Hail Patapsco, hail to thee. We will e’re be true
As we laud your colors bold, the red, the white, and blue.
In your halls we found our friends, laughter here and there.
From these happy days of youth, our mem’ries we will share.

Pax per Sapientiam, guides our lifetime through.
In the many years to come, uplifts our hearts anew.
With these gifts of knowledge gained, may we never fail.
Honor we now pledge to thee, oh, hail Patapsco, hail.

(Sung only at farewell and graduation)
Alma Mater in our hearts, is your noble theme
Which will guide us as we strive, toward our worthy dream.
We have reached our parting day, and face the world we see;
We will sing our song of praise, Hail, oh Hail to Thee.
