COMMUNITY RELATIONS: Use of School Facilities

Contests Sponsored by External Organizations

I. Policy Statement

The Board of Education (Board) believes that community involvement and engagement are important components to assisting students in becoming college and career ready. To that end, the Board supports contests sponsored by external organizations involving participation by students and schools when such contests have an educational benefit or further civic, social, and/or character development.

II. Implementation

A. The Superintendent shall establish guidelines for the approval of school and student participation in contests sponsored by external organizations when such contests have an educational benefit or further civic, social, and/or character development.

B. The Board directs the Superintendent to implement this policy.
