EVALUATIONS

I. Philosophy

The Board of Education of Baltimore County (Board) requires the evaluation of employee job performance. Employee evaluation is an important function of administrators, managers, and supervisors. These evaluations are integral in ensuring that Baltimore County Public Schools (BCPS) meets its organizational mission and effectively manages its workforce toward continuous improvement and appropriate professional development.

II. Implementation

A. The Superintendent shall develop and implement a systemwide program for evaluating the job performance of all regular employees appointed at .1 or greater full-time equivalency (FTE). Absent any applicable collective bargaining provision(s) or Maryland State law(s) or regulation(s) to the contrary, all regular employees should be evaluated annually.

B. The Board directs the Superintendent to implement this policy.
