STUDENTS: Students

I. Philosophy

The Board of Education of Baltimore County (Board) expects the Baltimore County Public Schools (BCPS) to provide a quality education that develops the content knowledge, skills and attitudes that will enable all students to be college, career or military-ready and to reach their maximum potential as responsible, life-long learners and productive citizens.

II. Standards

A. All students will reach high standards as established by BCPS and state performance level standards.

B. All English language learners will become proficient in English and reach high academic standards.

C. All students will be taught by highly qualified teachers.

D. All students will have access to and be educated in school environments that are equitable, safe and conducive to learning.

E. All students will graduate from high school.

F. BCPS will engage parents/guardians, business and community members in the educational process.

G. BCPS will involve principals, teachers, staff, other stakeholders and parents/guardians in the educational process.

H. All students will receive a quality education through the efficient and effective use of resources and the delivery of business services.

III. Implementation

The Board directs the Superintendent to implement this policy.
