STUDENTS: Services to Students

Health Services

I. Policy Statement

A. The Board of Education of Baltimore County (Board) recognizes the relationship between student health and academic achievement. The Board is committed to providing, in collaboration with the Baltimore County Department of Health, the school health program.

B. The school health program will support achievement for all students by providing services and education to address acute and chronic health concerns and promoting a healthy school environment.

II. Implementation

A. A registered nurse shall serve as the school nurse and oversee the health services program in each school.

B. The Board directs the Superintendent to implement this policy.
