INTERNAL BOARD POLICIES: Organization

Administration in Policy Absence

I. Policy Statement

A. Only actions of the Board of Education of Baltimore County (Board) in formal session shall constitute an act of the Board.

B. When immediate action must be taken, and when the Board has provided no guidance for administrative action, the Superintendent shall have the power to act. The Superintendent’s action, however, shall be subject to review by action of the Board at its next regularly scheduled public meeting. It shall be the duty of the Superintendent to inform the Board promptly of such action and of the need for policy.

C. Nothing contained herein shall limit the authority of the Superintendent where state law grants or permits such authority.

II. Implementation

The Board shall implement this policy.
