**Directory Information**
The Family Educational Rights and Privacy Act (FERPA), a federal law, as well as State regulation (COMAR 13A.08.02) permit the disclosure of directory information from a student’s education record without the parent’s prior written consent unless the parent has opted out of such disclosure. (To opt out means that a parent/eligible student does not permit BCPS to disclose a student’s directory information.) Please note that, in certain situations, federal and state laws and regulations may permit or require the disclosure of the information from a student record to authorized persons or entities even if you have opted out of its disclosure as directory information.

**Opt Out of Publishing Directory Information**
Parents may opt out of having BCPS disclose their student’s directory information in the following ways:
- **In School Publications** – These publications include: (1) lists of students participating in officially recognized activities and sports, which may include playbills, programs or rosters; (2) lists of students receiving honors, awards and scholarships; (3) athletic team rosters, which may include a team member’s name, height and weight; (4) lists of students with degrees conferred and awards received; (5) school newsletters, yearbooks/memory books; (6) school/classroom displays; (7) school brochures; or (8) other means. A parent may request that BCPS not disclose the directory information of their child in school publications by checking the “opt out of disclosure in school publications” box on p. 1. (If you opt out of school publications, your child’s photo and directory information will not be published in the school’s yearbook/memory book.)
- **In BCPS/Systemwide Publications** – These publications include: (1) school information calendar; (2) student handbook; (3) meeting/conference handouts/programs; (4) brochures; (5) annual budget; and (6) other means. A parent may request that BCPS not disclose the directory information of their child in systemwide publications by checking the “opt out of disclosure in BCPS/systemwide publications” box on p. 1.
- **In BCPS/Systemwide and School Communications** – These communications include: (1) BCPS/school television; (2) BCPS/school Web site; (3) BCPS/school social media (e.g. Facebook, Instagram, Twitter, Flickr, Blogs, etc.); and (4) other BCPS/school communications. A parent may request that BCPS and schools do not disclose the directory information of their child in communications by checking the “opt out of disclosure in BCPS/systemwide and school communications” box on p. 1.
- **To Outside News Media Organizations** – There are times when BCPS may send a story of interest regarding a school to various media. These news media organizations include local and national TV and radio stations, newspapers or magazines. A parent may request that BCPS not disclose the directory information of their child to the media by checking the “opt out of disclosure to outside news media organizations” box on p. 1.
- **To a Third Party Other Than News Media** – Directory information may be provided to individuals and organizations outside of BCPS (e.g. PTAs and booster organizations, state and county agencies, level 2 apps, and other third parties.) A parent may request that BCPS not disclose the directory information of their child to a third party by checking the “opt out of disclosure to a third party other than news media” box on p. 1.

**NOTE:** The Student Privacy Options on Page 1 do not include videotaping by security cameras in school or on school buses or for pictures used for student ID cards or badges, nor do the privacy preferences apply to school activities or events that are open to the public.

**Military Recruiters and/or Institutions of Higher Education (Secondary Students Only)**
Federal law requires BCPS to provide, on a request made by a military recruiter or institution of higher education, access to the name, address and telephone listing of each secondary school student, unless the parent has notified the school principal in writing that this information not be disclosed. State law also requires BCPS to provide the same information to official recruiting representatives of the military forces of the state and the United States in order to inform students of educational and career opportunities available in the military. Parents must request that their child’s name, address and telephone listing not be disclosed to military recruiters and institutions of higher education by checking the appropriate opt-out box(es) on p. 1.

**Photography/Filming by Outside News Media Organizations Opt-Out**
There are times when a school may be featured in various media. News reporters, photographers and/or film crews from TV, radio stations, newspapers or magazines may wish to photograph or film your child during the school day in relation to a story about our schools or students. A parent may request that the media not photograph or film their child by checking the “outside news media opt-out” box on p. 1.

**Student Intellectual Property Opt-Out**
BCPS may publish and/or display a student’s intellectual property and/or a student’s publications/productions created during school-sponsored activities and/or learning experiences. (If you opt out, your child’s intellectual property will not be displayed in the school or by any other means.)

**NOTE:** A student’s work will appear with the student’s first and last names or with a group name, school and grade.

If you have checked any of the opt-out boxes on p. 1, you must sign and return your Student Privacy Options to your child’s school. Your school will assume that you have not opted out of the disclosure of your child’s information, unless you submit your Student Privacy Options no later than October 1 or within 30 days of enrollment in a BCPS school.
